CKPS Building Needs Assessment 2022-2023 Budget Planning (HB 2067)				
Below are questions which should be addressed when planning for needs at the building level.				
Personnel - such as teachers (including Title I teachers), principals, counselors, and support staff should be				
involved in determining the needs of the building and district.				
ection 1: STUDENT NEEDS	Data Points	Delinole (Nete - from Delidion Administrator		
	Data Points	Rationale/Notes from Building Administrator	Guidance Notes Use 9/20/21 enrollment count; provide additional n

Do teachers and students have sufficient access to a variety of technology? I. Is staff properly trained to incorporate technology into the classroom? Are there adequate licensed support personnel such as counselors, librarians, nurses, etc.? Are principals and other key staff trained to provide instructional leadership to teachers? Section 3: CURRICULUM NEEDS	Data Points 2 ECSE & 1 para 1 Gen Ed Conscious Discipline Support, Data from DRDP processing support for MTSS. On occasion 15 to 20 minutes per week more for planning it he event that PD is shorter. 4 Classified and Need 1 per classroom based on the ECSE Model Next Year. Yes No X X X X X X List Activities/Items	The SPED model previously operated with a Para dedicated for every room. This helps to ensure that our students who are still toilet training are able to be supported as needed without sacrificing ratio requirements. With 3 collaborative classrooms and floating paras there is no way to ensure coverage during these times. Have a vacancy that will be opening at the end of the year for a Gen Ed teacher. Rationale/Notes (If no, please provide detailed notes regarding identified needs.)	Guidance Notes If there is a need for additional class size reduction teacher, or other position, based on student data, please provide that information here. What data are you using to support this request; Fastbridge/SAEB attendance data would be appropriate. Staff development requests need to be aligned to y SIF, MTSS, District Strategic Plan, and KESA - sup	
ection 2: STAFF NEEDS I. How many additional teachers are needed to meet the School Improvement Plan goals of this building? I. How many qualified teachers are needed to meet the needs of students under the ESEA Guidelines which requires every lassroom to be covered by a teacher who is certified in the specific content area in which they're assigned to teach? (If you now evacancies in hard to fill areas and will need to use long-term subs in these classrooms, please indicate the number of vacancies in see notes section, as well as the content area for each vacancy.) What staff development is necessary for teachers to support student achievement and meet the School Improvement Plan poals of this building? D. How much planning time do teachers currently have above the negotiated agreement? If additional time is rovided, do you use your building budget to provide more time for PLCs? How many classified instructional support staff are currently employed and how many are needed at this building? Are all your licensed teachers highly qualified and properly assigned? Do teachers and students have sufficient access to a variety of technology? Is staff properly trained to incorporate technology into the classroom? Are there adequate licensed support personnel such as counselors, librarians, nurses, etc.? Are principals and other key staff trained to provide instructional leadership to teachers? 	Yes No	Rationale/Notes (If no, please provide detailed notes regarding identified needs.).	
C. Is the curriculum aligned with state standards?	X		
D. Are there appropriate and adequate instructional materials?	X		
E. Is current technology appropriate?	X		
Section 4: FACILITY NEEDS			
	Yes No	Rationale/Notes (If no, please provide detailed notes regarding identified needs.)	
A. Is there adequate space for student learning?	x	Specialized classroom space here at Watson does not allow for students who are in wheelchairs to move freely, so wheelchairs and walkers are left in the hallway.	
		New staff restroom plumbing and ventilation need to be reconfigured. The sewer gas is going into the same place where my custodians eat lunch and in the same place that food	
B. Are there necessary repairs and/or adjustments to the existing space that need to be made?	x	is stored in a staff refrigerator. Not appetizing at all!	
Section 5: PARENTAL NEEDS			_
	List Activities	Rationale/Notes	
A. What parental involvement opportunities do you currently offer?	Home Visits, FAS, Family Nig	Not offered Family Nights due to weather cancellation or Covid Issues earlier	
	I would like to have parents		
B. How exactly do you want your parents to be involved in the school such as greater attendance, greater committee	involved in a way where the		
	could come be guest readers	•	
C. What types of parent training programs (teaching parents how to give student help with homework, teaching parents how to use technology that students will be required to use, etc.) are provided?	NA .		
		er Not much offered - Plan to purchase and use SMORE 2022-2023 School Year	
,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	18	The most energy than to parentage and doe smorte 2022 2020 contour roat	
Section 6: HIGH SCHOOL NEEDS (9-12/Alternative Buildings)			
	Data Points	Rationale/Notes	_
	NA		
B. What is the current dropout rate?	NA		
Section 7: OTHER			
	Data Points	Rationale/Notes	
A. How many building personnel/school community parents were involved in helping to determine the needs of this building (teachers, principal, counselors, support staff, parent, etc.)?	BLT	Rationale/Notes (SLP, ECSE, Para, Admin Asst, Gen Ed, IC, and BMHI	Refer to your site council and building leadership to as well as Family Engagement Survey input.
