KCKPS Building Needs Assessment 2022-2023 Budget Planning (HB 2067)	1				
Below are questions which should be addressed when planning for needs at the building level.					
Personnel - such as teachers (including Title I teachers), principals, counselors, and support staff should be involved in determining the needs of the building and district.					
Section 1: STUDENT NEEDS			I		
	Data Points Curretn ernolle	mt 1282 projected	Rationale/Notes from Building Administrator	Guidance Notes	
A. How many students are enrolled at this school building?	enrollment 135 20.2021 - 1321	4 September		Use 9/20/21 enrollment count; provide additional notes if there's been a change in your enrollment since the 9/20/21 count.)	
				Per state at-risk funding guidelines, use the number of students eligible for 'free lunch' in your building per 9/20/21	
B. How many students enrolled at this building meet the definition of at-risk? (Free Lunch)		100%	We try to keep language arts and math at low numbers no more than 25 students. This is	enrollment count. Use district guidelines of: K-5 is 1:21; 6th-8th grades 1: 22: 9th grade 1:18 10-12th grades 1:23. Provide notes	
		asses, 1:30 content,	not always the case. Other content classes bear some of the brunt, like art. We have around 40students in our art classes. Most Classrooms at Harmon were not built to hold	regarding overages at specific grade levels or content areas where classrooms fall outside of the district	
C. What is the pupil-teacher ratio?	1:40 higher elec	ctives	that many students in a class.	guidelines by 5 or more students. Please use the district guidelines above. There will be	
D. What is the pupil-teacher ratio necessary to meet the needs of students and the School Improvement Plan goals of this building?		1:20		another space for you to list any additional staffing requests.	
E. How many students have an IEP, including Gifted?		213		Provide the name of the specialized program(s) you	
F. How many students are severly handicapped? (SAILS 1)		5		have at your building, as well as any additional notes you relative to budget planning.	
G. How many students are English Language Learners?	https://ksrepor		Level 1 through Level 8		
	org/assessment	t_results.aspx?		Use 2021 Summative KAP data provided. If you	
H. How many students do not meet proficiency in ELA? (State Assessment, tested grades only. You may provide a link to a separate data sheet where all of your information is displayed.)	org_no=D05008 tType=1	<u>&bldg_no=8327&rp</u>		provide a link, please make it VIEW ONLY, and the link should only pertain to pertinent information.
